
PREM SEWA SHIKSHAN SANGH

Nagpur's School for Boys & Girls

The society, Prem Sewa Shikshan Sangh, was established in October 1981, at the behest of Rev. Frank M Juelich. They were able to purchase land in 1982 at Gorewada Basti (Nagpur) and develop

it into a home for poor children, focusing on a primary school for boys.

The girls home was then established later in 1992. The mission's objective is to look after and actively help children from the weaker section, regardless of caste, creed, race or religion. They offer them education, accommodation, food, medical care, love and the Gospel, giving them a chance which otherwise would be closed to them. This in turn helps them to become self-supporting! Rev. Frank M Juelich has now retired in India but the school is now led by Yohan A Raut (president), and Director Bapu H Desai with a group of dedicated leaders.
